Subject: meeting today
Date: 01/23/2008 08:45 AM

Hi all -

There is a PH Manager technical meeting scheduled for today to talk about the process for resolving the R2 Report comments. I understand that this is just going to be a small group today - but if there are other people who will be attending, please pass along this location information to them.

I have reserved room 19E at Ater Wynne for this meeting. It is planned to start at 1pm. We'll be using the regular call-in number for those unable to be here in person.

cheers
valerie
